Re: Support of Docket No. 98P-0151/CP1

I am in support of the petition to completely prohibit the slaughter of downed animals. By supporting this petition I hope to cut out the market for downed animals so the livestock industry will have more of an incentive to treat animals humanely, euthanizing "downed animals" on-farm, and more importantly, preventing the injuries that cause "downed animals" in the first place.

Sincerely,

Karen Dionne
