To prohibit the slaughter of downed animals !!!  
8793 14201 FEB 28 10:46

I have seen on T.V. these animals being  
butchered and fed to our domestic farm animals  
and to us the human beings, it is seems  
the more we protest the wrongs that is being  
committed, the more these people who are doing  
the wrongs are getting away with murder when  
people and animals are eating it. !!!

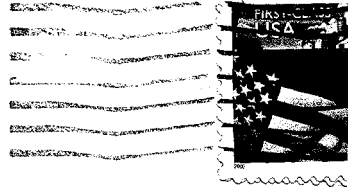

Let us support this bill that the Good and Drug  
is behind it with a deep urgency petitions and  
letters to contact Farm Sanctuary or No Downers

Campaign.
