(HFA-303) 9 Docket MAR 49 P OOP-1211/CP1

Rockville MD. 20852

Dear Ms Henney.

I am opposed to G.E. foods.  
I have allergies - FOOD - and I  
am having allergic reactions to  
food I was able to eat without  
an allergic reaction. However -  
I am now having allergic  
reactions to supposedly "SAFE" foods  
for me.

I DEMAND please that these  
foods be labeled so I can  
choose my foods safely & wisely

Yours truly

Lynne Mulhall
