Re: Freedom of Information Act request regarding CCCSTI and/or CCSP

Dear Mr. Horner:

This is a further response to your January 31, 2006 Freedom of Information Act ("FOIA") request received by the Council on Environmental Quality ("CEQ") on January 31, 2006 (fax).

In our March 2, 2006 initial response we notified you of a scheduling issue in connection with the e-mail search required by your request. That search is to be conducted by the Office of Administration ("OA"), another office within the Executive Office of the President ("EOP"). We were originally informed by the OA that the email search would be conducted in April of 2006. We have now been informed that OA does not expect to begin that search until October at the earliest.

We thank you for your cooperation throughout this process.

Yours truly,

Edward A. Boling
 Deputy General Counsel
 Freedom of Information Officer
