Phil:

We printed 3,000 copies of the Climate Action Report last week. When do you want us to post the final electronic files on the website (and have State give them to the Secretariat)?

The Government Printing Office is distributing the inter-agency copies later this week, so you should get 10 copies delivered to you. 500 copies will also be delivered to the UNFCCC Secretariat in the next week. State is getting 1,100 copies and can handle distribution to Congress via their Congressional office. I also have a limited set of CDs available on request.

Best regards,
Reid
