

we three get together after the holidays. I started reading the CEI  
Environmental Source resource book you edited, and I'm interested in  
hearing  
more of your views. My position at CEQ is Assoc. Dir. of Public Affairs,  
so I'm  
particularly sensitive to changing the "caring" v. "logic" values. Let me  
know  
when you'll be back in the office after the first of the year.

Thanks,  
Dana
