Angela -- It was a pleasure to meet you yesterday at your offices. On the
way
back to CEQ, I found out you and Kameran are friends. I'd like to propose
that
we three get together after the holidays. I started reading the CEI
Environmental Source resource book you edited, and I'm interested in
hearing
more of your views. My position at CEQ is Assoc. Dir. of Public Affairs,
so I'm
particularly sensitive to changing the "caring" v. "logic" values. Let me
know
when you'll be back in the office after the first of the year.

Thanks,
Dana
