GENUINE KYOTO-STYLE COUPON MADE IN THE U.S.A.

When CO2 is outlawed, only politicians may exhale.

# ENERGY RATION COUPON

This transferable coupon may be redeemable for ONE valuable lump of coal or equivalent amount of other proscribed hydrocarbon under any of the schemes to regulate carbon dioxide emissions proposed by Senators McCain, Lieberman, Carper, Gregg, Jeffords, or Kerry.

FINE PRINT Or it may *not* be redeemable. But no worries. Who needs fossil fuels when sunlight is free? As for freezing in the dark, you'll get used to it. If you don't like it, move to Alberta.

DISCLAIMER This coupon does not constitute a property right. Don't count on being able to turn on any lights or drive a car or drink carbonated beverages after carbon is criminalized. CEI disclaims all liability for those found guilty of climate offenses.
