TEXT:

Please join us for a casual lunch and chat with Dick Lindzen on Wednesday, 18th June, beginning at Noon at CEI, 1001 Connecticut Ave., NW, Suite 1250 (building entrance is on K Street on the north side of Farragut Square). The Cooler Heads Coalition will offer sandwiches, chips, cookies, and cold, but non-carbonated drinks! Richard S. Lindzen is Alfred P. Sloan Professor of Meteorology at M. I. T., one of the world's most eminent atmospheric scientists, and a good friend and strong ally of the Cooler Heads Coalition who has given two notable coalition briefings on the Hill. Please let me know if you can attend, so we will know how much food to order.

Thanks, Myron: 331-2256.
