Subject: Climate VISION Feb 12 DOE event

---

John,

Here is the AAR's invite to the DOE event. You can designate up to 20 people, including two for priority seating.

~ Joel

Please join us at 2 p.m. on Wednesday February 12 for the rollout of the President's Climate initiative, a key part of the President's climate change strategy announced last February 14. This event will acknowledge and recognize the voluntary efforts of various sectors in responding to the President's challenge to reduce greenhouse gas emissions.

The event will be held at the Department of Energy cafeteria, 1000 Independence Ave., SW, one block from the Independence Avenue exit of the Smithsonian Metro stop. The cafeteria is in the West Building, which is a two story building, the top level of which is all glass. Enter the Tenth Street door (east side of the building). The door will be open during 1 - 1:45 p.m. Attendees must arrive by 1:45 p.m. to assure entry and should bring photo identification.

The Association of American Railroads has been allotted 20 (twenty) slots for this event. Please email to the below email addresses up to that number of names by 10 a.m. Tuesday, February 11. Additions or substitutions will not be allowed after that time. On your list, please indicate the two attendees designated for priority seating.
