Phil --

I can meet at 2:30 either on Thursday the 21st or Friday the 22nd, depending on what you really mean -- assume Friday the 22nd.

Are our public affairs types to attend?

I will update the draft letter of invitation reflecting those edits and email it to you.

Al

Group, We will next meet on Thursday, November 20 to take stock of progress
on
sectoral GHG agreements. We will also focus on scheduling, with agency
representatives now checking cabinet secretaries' availability from January
21 -
24. Phil

PS Please let me know at your soonest opportunity if 2:30 does not work --
we
have flexibility to go later in that afternoon, but let's nail this down.
Thanks, Phil
