DOCKET NO. 9288

ORDER

Upon consideration of Respondent Intel Corporation's ("Intel") Motion for Enforcement of Subpoena *Ad Testificandum* issued to Wade Patterson and to Preclude Trial Testimony Pending Resolution of Dispute and the opposition thereto,

IT IS HEREBY ORDERED that Intel's Motion is DENIED for failure to comply with the Commission's Rules of Practice and because the Court finds Mr. Patterson adequately answered Intel's questions during his three days of deposition testimony.
