**Docket No. 9315**

**ORDER GRANTING MOTION FOR EXTENSION OF TIME**

On August 2, 2007, the Commission issued an Order in this matter that, *inter alia*, requires Respondent Evanston Northwestern Healthcare Corporation to file with the Commission, on or before September 10, 2007, a detailed proposal for implementing the type of injunctive relief that the Commission has selected, as described by the Opinion of the Commission and the Commission Order; that requires Complaint Counsel to file with the Commission any objections to or comments on that proposal within thirty calendar days thereafter; and that requires Respondent to file any response to Complaint Counsel's filing within ten calendar days thereafter. On September 10, 2007, the Commission issued an Order granting Respondent an extension until September 17, 2007, by which to file its proposal, and Respondent filed its Submission In Explanation and Support of Its Proposed Final Order, and the Proposed Final Order itself, on that date.

Complaint Counsel have now filed a Motion requesting an extension of the deadline for filing any objections or comments on Respondent's Proposed Final Order from October 17, 2007, until October 29, 2007. Complaint Counsel advise that, as a consequence of previously-scheduled travel, lead Complaint Counsel will be out of the office until two days before the current filing deadline, and that an extension will permit a thorough review of Respondent's Proposed Final Order, and the preparation of objections and comments that may assist the Commission in developing a Final Order. Complaint Counsel further advise that Respondent does not oppose the Motion, provided that Respondent will still have ten days within which to file its response after Complaint Counsel effect their filing.

The Commission has determined to grant the Motion. Accordingly,

**IT IS ORDERED** that the deadline prescribed in the Sixth Ordering Paragraph in the Commission Order issued in this matter on August 2, 2007, be, and it hereby is, extended until October 29, 2007; and

**IT IS FURTHER ORDERED THAT** the deadline prescribed in the Seventh Ordering Paragraphs in the August 2, 2007 Order remains unchanged.

By the Commission.
