

January 30, 2002

Mr. John F. Conant
Senior Project Manager
ABB Prospects, Inc.
501 Merritt 7
Newark, CT 06856-5308

Dear Mr. Conant:

On January 15, 2002, representatives of ABB Prospects, Inc. (ABB) met with Nuclear Regulatory Commission (NRC) staff to discuss the status of your plans for decommissioning, ABB's outline of an approach you wish to take for decommissioning your Windsor, CT facility, and an October 16, 2001, proposal by LeBouef, Lamb, Greene & MacRae (LLGM), L.L.P., on behalf of ABB, regarding NRC jurisdiction at the Windsor site. Enclosed is a copy of the meeting summary notes.

If you have any questions or comments regarding the enclosed, please contact me at (301) 415-0023.

Sincerely,

/RA/

Amir Kouhestani, Project Manager
Special Projects Section
Decommissioning Branch
Division of Waste Management
Office of Nuclear Material Safety
and Safeguards

MEETING SUMMARY NOTES

Date: January 15, 2002

Time: 13:15 - 15:15

Place: U.S. Nuclear Regulatory Commission
One White Flint North, Room O13-B4
Rockville, Maryland 20852

Purpose: The licensee (ABB Prospects, Inc.) updated the staff about progress made and current plans on issues related to decommissioning of its CE Windsor, CT facility. The licensee presented additional details about and expanded on ABB's October 16, 2001, proposal prepared by LeBouef, Lambe, Greene & MacRae (LLGM), L.L.P., on licensee's behalf.

Attendees: Refer to Attachment A

Discussion:

Staff, licensee and its counsel, and U.S. Army Corps of Engineers participated in the meeting, and the U.S. Department of Justice representative, Connecticut Department of Environmental Protection, the Connecticut Attorney General's Office, and Town of Windsor representatives participated by telephone.

ABB representatives provided participants with a site map and a hand out on overview of the CE Windsor site (copy enclosed, typo on date should be January 15, 2002). The presentation by the two ABB representatives generally followed their handout material.

The issues discussed during the meeting were about processes for future activities among the parties. Notice was made that NRC staff will participate in the upcoming February 4-5, 2002, partnering session to be held among USACE, licensee, State, Town of Windsor, and other stakeholders.

Actions:

1. The licensee will distribute a copy of its hand out to stakeholders that called in to the meeting.
2. Staff will consider the information received from licensee, hold internal discussions, and brief senior management.
3. Staff will participate in the upcoming ABB and USACE February partnering session.
