Re: Request for Approval of Applicant Pursuant to
Federal Trade Commission Decision and Order Docket No.
C-3933

Dear Mr. Fick:

This letter responds to the April 11, 2000 application for approval ("Application") filed by StorePoint, Inc. ("StorePoint") requesting Federal Trade Commission ("Commission") approval of StorePoint as a New System Provider licensee. The Application was placed on the public record for thirty days, until May 17, 2000. No comments were received during the comment period. The Commission has considered StorePoint's Application and all supporting materials, as well as other available information, and has concluded that StorePoint has demonstrated that it is a suitable licensee. Accordingly, the Commission has determined to approve StorePoint's Application. The Commission hereby certifies that StorePoint is one of the first three New System Providers to apply for a license under the Order and receive Commission approval.

By direction of the Commission.
