FOR: The Commissioners

FROM: William D. Travers
Executive Director for Operations

SUBJECT: SUBMISSION OF THE ANNUAL FREEDOM OF INFORMATION ACT REPORT

PURPOSE:

This paper provides the Commission a copy of the annual Freedom of Information Act (FOIA) Report for the NRC for Fiscal Year (FY) 2001.

BACKGROUND:

With the enactment of the Electronic Freedom of Information Act Amendments of 1996, Public Law 104-231, 101 Stat. 3048, Congress revised Subsection (e) of the FOIA. Subsection (e) pertains to the submission of annual FOIA reports by Federal agencies. The revision directed the Department of Justice (DOJ), in consultation with the Office of Management and Budget, to issue guidelines for preparing and submitting the annual FOIA report.

Under the guidelines, Federal agencies are to send their fiscal year annual report to DOJ, Office of Information and Privacy, and identify the World Wide Web uniform resource locator (URL) in the report. DOJ provides a single point of access on its Web site for all annual FOIA reports, through links to agency FOIA pages, and notifies Congress when all reports have been posted on the Web site.

III. Definitions of Terms and Acronyms Used in the Report

A. Agency-specific acronyms or other terms.

B. Basic terms, expressed in common terminology.

1. FOIA/PA request -- Freedom of Information Act/Privacy Act request. A FOIA request is generally a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning oneself; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)
2. Initial Request -- a request to a federal agency for access to records under the Freedom of Information Act.
3. Appeal -- a request to a federal agency asking that it review at a higher administrative level a full denial or partial denial of access to records under the Freedom of Information Act, or any other FOIA determination such as a matter pertaining to fees.
4. Processed Request or Appeal -- a request or appeal for which an agency has taken a final action on the request or the appeal in all respects.
5. Multi-track processing -- a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests in each track are processed on a first-in/first-out basis. A requester who has an urgent need for records may request expedited processing (see below).
6. Expedited processing -- an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records which warrants prioritization of his or her request over other requests that were made earlier.

7. Simple request -- a FOIA request that an agency using multi-track processing places in its fastest (nonexpedited) track based on the volume and/or simplicity of records requested.
8. Complex request -- a FOIA request that an agency using multi-track processing places in a slower track based on the volume and/or complexity of records requested.
9. Grant -- an agency decision to disclose all records in full in response to a FOIA request.
10. Partial grant -- an agency decision to disclose a record in part in response to a FOIA request, deleting information determined to be exempt under one or more of the FOIA's exemptions; or a decision to disclose some records in their entireties, but to withhold others in whole or in part.
11. Denial -- an agency decision not to release any part of a record or records in response to a FOIA request because all the information in the requested records is determined by the agency to be exempt under one or more of the FOIA's exemptions, or for some procedural reason (such as because no record is located in response to a FOIA request).
12. Time Limits -- the time period in the Freedom of Information Act for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).
13. "Perfected" request -- a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there is no remaining question about the payment of applicable fees.
14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).
15. Median number -- the middle, not average, number. For example, of 3, 7, and 14, the median number is 7.
16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.

Several internal agency service levels are used to enhance the agency's processing timeliness. Reports showing the status of open cases are provided to offices in an effort to heighten management awareness of pending cases.

In addition to providing general public access to material released under the FOIA, in FY 01 the NRC placed over 67,000 of its official agency records in its Agencywide Documents Access and Management System (ADAMS). These documents are available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of ADAMS. ADAMS is accessible from the NRC web site at <http://www.nrc.gov/reading-rm/adams.html> (the Electronic Reading Room).
