Commissioner Comments on SECY-03-0067

Chairman Diaz

I believe the changes proposed by the staff are desirable to resolve ambiguities and clarify the requirements in these areas; however, I do not necessarily agree with the characterization in the SECY regarding the "best" interpretation of the existing requirements. I have provided comments on the Federal Register Notice. It is my expectation that Federal Register Notices be of high quality.

Commissioner Dicus

Agree with Chairman's edits to the associated Federal Register Notice.

Commissioner McGaffigan

Approved subject to the edits of the Chairman and Commissioner Merrifield to the Federal Register notice.

Commissioner Merrifield

Approved subject to the attached edits and Chairman Diaz's edits to the Federal Register Notice.
