- A. “Respondent PISD” means Physician Integrated Services of Denver, Inc., its officers, directors, employees, agents, representatives, successors, and assigns; and the subsidiaries, divisions, groups, and affiliates controlled by Physician Integrated Services of Denver, Inc., and the respective officers, directors, employees, agents, representatives, successors, and assigns of each.

- F. “Participate” in an entity means (1) to be a partner, shareholder, owner, member, or employee of such entity, or (2) to provide services, agree to provide services, or offer to provide services, to a

payor through such entity. (This definition also applies to all tenses and forms of the word “participate,” including, but not limited to, “participating,” “participated,” and “participation.”)

- G. “Payor” means any person that pays, or arranges for payment, for all or any part of any physician services for itself or for any other person.
- H. “Person” means both natural persons and artificial persons, including, but not limited to, corporations, unincorporated entities, and governments.

- J. “Preexisting Contract” means a contract that was in effect prior to the receipt, by all payors that are parties to such contract, of notice sent by Respondent PISD pursuant to Paragraph IV.B. of this Order, of each such payor’s right to terminate such contract.

 - 2. any agreement concerning reimbursement or other terms or conditions of dealing entered into by or within the arrangement is reasonably necessary to obtain significant efficiencies through the joint arrangement.
- M. “Qualified risk-sharing joint arrangement” means an arrangement to provide physician services in which:
 - 1. all physicians who participate in the arrangement share substantial financial risk through their participation in the arrangement and thereby create incentives for the physicians who participate to jointly control costs and improve quality by managing the provision of physician services, such as risk-sharing involving:

2. any agreement concerning reimbursement or other terms or conditions of dealing entered into by or within the arrangement is reasonably necessary to obtain significant efficiencies through the joint arrangement.

II.

IT IS FURTHER ORDERED that Respondents, directly or indirectly, or through any corporate or other device, in connection with the provision of physician services in or affecting commerce, as "commerce" is defined in Section 4 of the Federal Trade Commission Act, 15 U.S.C. § 44, cease and desist from:

- B. Exchanging or facilitating in any manner the exchange or transfer of information among physicians concerning any physician's willingness to deal with a payor, or the terms or conditions, including price terms, on which the physician is willing to deal;
- C. Attempting to engage in any action prohibited by Paragraph II.A. or II.B., above; and
- D. Encouraging, suggesting, advising, pressuring, inducing, or attempting to induce any person to engage in any action that would be prohibited by Paragraphs II.A through II.C above.

PROVIDED, HOWEVER, that nothing in this Paragraph II shall prohibit any agreement involving or conduct by:

- (iii) Respondent PISD that is reasonably necessary to form, participate in, or take any action in furtherance of a qualified risk-sharing joint arrangement or qualified clinically-integrated joint arrangement, so long as the arrangement does not restrict the ability, or facilitate the refusal, of physicians who participate in it to deal with payors on an individual basis or through any other arrangement.

III.
