Community Advisory Board for Nevada Test Site Programs To Host Public Meeting

A public meeting hosted by the Community Advisory Board (CAB) for Nevada Test Site programs is scheduled for 5:00 p.m., Wednesday, March 14, 2007, at 7710 West Cheyenne, Room 130, in Las Vegas, Nevada. The meeting will include updates from the CAB's working committees and a Radiation 101 presentation by U.S. Department of Energy National Nuclear Security Administration staff.

The CAB is comprised of Southern Nevada volunteer citizens who provide the U.S. Department of Energy Nevada Site Office Environmental Management Program with informed recommendations on environmental activities at the Nevada Test Site. The CAB sponsors bi-monthly public meetings and is chartered under the U.S. Department of Energy's Environmental Management Site-Specific Advisory Board.

All CAB meetings are open to the public and the public is encouraged to actively participate. For additional information on CAB meetings or activities, visit the CAB website at <http://www.ntscab.com>.

Media Information:

Due to facility security policies, media wishing to have access to the meeting facility with cameras or recording devices must RSVP Kelly Snyder by 3:00 p.m., Tuesday, March 13, 2007.
