Driving directions from the Beltway

From the Beltway you can take either of two exits:

(1) Connecticut Ave South

From the Capital Beltway, head south on Connecticut Ave., turn right onto East-West Highway (Maryland 410), go about ½ mile, get in the left lane, and turn left into the second driveway at Bethesda Towers complex (it's a one-way loop), directly across from Bethesda–Chevy Chase High School. Proceed to the ramp to parking garage on the right, and park on level B-1 through B-4. The South Tower is color-coded green; park in the green section, if possible. Take the elevator to the 7th floor; the Commission is in Room 700, South Tower, 4340 East-West Highway.

(2) Wisconsin Ave South

From the Capital Beltway, take the exit for Maryland 355 (Wisconsin Ave.) and proceed south on Wisconsin Ave. for about 3 miles. Pass the intersection for East-West Highway, on the left, and Old Georgetown Rd., on the right. Turn left at the next light onto Montgomery Ave. Follow Montgomery Ave. about 3 blocks, continuing to bear left until Montgomery intersects with East-West Highway. Bear hard left onto East-West Highway traveling west (essentially heading back in the direction you came from) and keeping in the left lane. Bethesda Towers is approximately 50 yards up on the left, directly across from Bethesda–Chevy Chase High School. Enter the Towers three-building complex at the second driveway on the left (it's a one-way loop). Proceed to the ramp to the parking garage on the right and park on level B-1 through B-4. The South Tower is color-coded green; park in the green section, if possible. Take the elevator to the 7th floor; the Commission is in Room 700, South Tower, 4340 East-West Highway.
