Definitions and Coverage Under the Employee Retirement Income Security Act of 1974; Proposed Regulation Relating to Supplemental Payments; Republication

Note.—This document originally appeared in the Federal Register for Tuesday, January 27, 1981 (46 FR 8571). It is reprinted in this issue in its entirety at the request of the Department of Labor in order to correct typographical errors.

AGENCY: Department of Labor.

ACTION: Notice of proposed rulemaking.

SUMMARY: This document contains a proposed regulation which provides guidance on the scope of the term "pension plan" under the Employee Retirement Income Security Act of 1974 (the Act), as amended by the Multiemployer Pension Plan Amendments Act of 1980. The regulation would enable employers to make certain voluntary payments to former employees under a welfare plan rather than under a pension plan to help offset the effects of inflation on pension benefits.

DATES: Written comments concerning the proposed regulation must be received by the Department of Labor (the Department) on or before March 30, 1981. Except as otherwise indicated, the regulation is proposed to be effective as of September 26, 1980, which is the applicable effective date of the Multiemployer Pension Plan Amendments Act of 1980.

ADDRESS: Interested persons are invited to submit written comments concerning the proposal to: Pension and Welfare Benefit Programs, Room C-4526, U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, D.C. 20216. Attention: Supplemental payment regulation. All submissions will be opened to public inspection at the Public Documents Room, Pension and Welfare Benefit Programs, U.S. Department of Labor, Room N-4677, 200 Constitution Ave., NW., Washington, D.C. 20216.

FOR FURTHER INFORMATION CONTACT: Mr. R. F. Nuissl, Pension and Welfare Benefit Programs, U.S. Department of Labor, Washington, D.C., telephone (202) 523-8671. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: The Department proposes to amend Part 2510 of Chapter XXV of Title 29 of the Code of Federal Regulations by adding a new paragraph (g) to § 2510.3-2. The proposed regulation is discussed below.

A. Need for the Regulation

The broad definition of the terms "employee pension benefit plan" and "pension plan" in section 3(2)(A) of the Act encompasses any plan, fund or program established by an employer which provides retirement income to employees. In general, therefore, payments by employers to supplement the pension benefits of their retirees ("supplemental payments") fall within the definition of those terms. During the present period of high inflation, many retired persons living on fixed incomes have been confronted with severe financial problems. As noted by the Senate Finance Committee and the Senate Labor and Human Resources Committee, many employers feel an
