

**FFAST Meeting  
May 11, 2007**

Attendees:

John Gould – BIA  
Michelle Ryerson – BLM  
Larry Sutton – USFS  
Marie Bates - BLM

**Action items are bold and in blue.**

**Medical Standards**

The FFAST reviewed and made final edits to the “Interagency Wildland Firefighter Medical Qualifications Standards Program Roles and Responsibilities” briefing paper. **John Gould to forward the following documents to Lisa Street, NWCG to be presented and discussed at the NFAEB meeting in May: Interagency Wildland Firefighter Medical Qualifications Standards Roles and Responsibilities; briefing paper by Kevin Jensen in Medical Standards “ Re-charter Interagency Medical Standards Team under the Interagency Medical Standards Program”; and briefing paper by FFAST “Changing the Standard Waiver Restriction Verbiage for the Far Vision Standard. Michelle Ryerson will be attending the NFAEB meeting representing the FFAST.**

**Interagency Agreement for Serious Accident Investigation**

The FFAST reviewed and made edits to this current MOU agreement, exhibit 8-4. This will be presented to the Fire Directors to agree upon and then forwarded to the WFLC for approval and signatures.

**FFAST Documentation**

Discussions were held about where and how to keep all the FFAST documentation files. The FFAST talked about what documents would need to be gathered and consolidated in one place. The site called “My Firecommunity.net” was a suggested place to store the files. The following items were included in items to gather: IMRB Process and Procedures, Charters for IMSP and IMST, Roles and Responsibilities of the Waiver/Accommodation Process, decision documents, forms.

**Next Meeting: Wednesday, June 6, 2007, at 0900. John will send a message out on the location.**
