

DOE ID/IQ Contract DE-AM01-01SO30220

Contract awarded September 27, 2001 and the period of performance is 8 years.

ASRC Aerospace, an 8A, *Alaskan Native Corporation*, is the prime contractor for the Department of Energy (DOE) Energy (DOE) Indefinite Delivery/Indefinite Quantity Contract for which all DOE activities and organizations, including DOE contractors and subcontractors, may place delivery orders directly, quickly and easily. The scope of this contract has two distinct components: Acquisition (or leasing) of ADP Hardware and Software and Telecommunications Resources; and Providing Information Technology Support Services. The purpose is to support, maintain, upgrade, and expand DOE's current installed base of ADP and telecommunications equipment and compatible software at DOE facilities nationwide. Also, it is to provide Telecommunications Services to include systems engineering, hardware and software installation, on-site maintenance and support, systems management and training via Fixed Price task orders.

Execution of task orders can take place at DOEDOE locations throughout the United States. Specific services that may be requested from the ASRC Aerospace team under this contract include the following:

Services:

Development and implementation of IT Policy and Procedure

Business and Management Processes
