Technical POC: Kelly King, IM-652
Contracting Officer: Albert Manley, ME-641

Specifics: This is a Small Business 100% Set-Aside 8(a) Tribal/Alaskan Nation contract. This contract is an Indefinite Delivery/Indefinite Quantity (IDIQ) contract from which all DOE activities and organizations, including authorized DOE contractors and subcontractors, may place deliver orders directly. Currently, this master contract provides the schedules for Microsoft Office and DELL Products.

Scope:

The scope of this performance-based contract has two distinct components: (1) Acquisition of Information Technology (hardware, software, and telecommunication resources), specifically Microsoft Products and Dell Products, and (2) to provide Information Technology Support Services for supporting new and improving emerging technologies.

Period of Performance: Period of performance will be from June 17, 2004 through June 16, 2009.

Contract Value: Total Value NTE \$200 Million.

Ordering Procedure:

DOE Federal organizations must obtain an **Authorization Number and Quote** from Ed Hulbert, ASARS prior to placing orders in excess of \$25,000. Each ordering element then places their order with HQ Procurement via PR.

Note: CIO COR is responsible for the maintenance of the Master Contract's schedule of products.
