COR: Marjorie Greenwood, IM-12
Contracting Officer: Patrick Thornton, MA-641

Specifics: This is a Small Business 100% Set-Aside 8(a) Tribal/Alaskan Native Corp. contract. This is an Indefinite Delivery/Indefinite Quantity (ID/IQ) contract for which all DOE activities and organizations, including DOE contractors and subcontractors, may place delivery orders directly, quickly and easily. The Government acquires computer (ADP) equipment and software via Delivery Order by Task Orders issued on a Firm Fixed Price basis, and the indicated fixed Direct Productive Labor Hour (DPLH) labor rates by category for services.

Period of Performance: September 21, 2001 through September 30, 2009 with a contract ceiling of \$28.9million.

The scope of this contract has two distinct components: Acquisition (or leasing) of ADP Hardware and software and Telecommunications Resources; and providing Information Technology Support services. The purpose is to support, maintain, upgrade, and expand DOE's current installed base of ADP and telecommunications equipment and compatible software at DOE facilities nationwide. Also, it provides periodic Telecommunications Services to include systems engineering, hardware and software installation, on-site maintenance and support, systems management and training via Fixed Price task orders.

Orders are place by Program offices or other DOE Entity directly with the CO:

Execution of Individual Task Orders can take place at any DOE location throughout the United States. Specific services that may be requested from ASRC Aerospace team under this contract include the following:
