SPRING/SUMMER 2004 JOURNAL OF PUBLIC INQUIRY

We are pleased to note that the Spring/Summer 2004 edition of the *Journal of Public Inquiry* will include two articles on inspection and evaluation issues. Watch for your copy, which should be published and mailed by the end of September.

UPDATE OF THE QUALITY STANDARDS FOR INSPECTIONS

Elise Ennis (Energy OIG) has prepared an updated version of the *Quality Standards for Inspections*, incorporating comments received from 14 members of the I&E Roundtable. The draft is being circulated to the Roundtable for review and comment. The I&E Committee will then receive the document for review. Finally, the updated draft will be circulated to the full PCIE and ECIE for approval. We hope to complete this project within the next few months.

PLEASE MARK YOUR CALENDARS

The next **I&E Committee meeting** will be held on Wednesday, **October 20**, at the Department of Labor. The **I&E Roundtable** will convene at Homeland Security on Wednesday, **November 3**. Both meetings will run from 9:30-11:30 am. Thanks to Labor IG Gordon Heddell and Homeland Security IG Clark Kent Ervin for hosting our meetings.
