NNSA Releases

Draft December 2006 Revised Environmental Assessment Large-Scale, Open-Air Explosive Detonation Divine Strake at the Nevada Test Site For Public Comment

The National Nuclear Security Administration's Nevada Site Office (NNSA/NSO) is releasing, for public comment, the *Draft December 2006 Revised Environmental Assessment, for the Large-Scale, Open-Air Explosive Detonation Divine Strake at the Nevada Test Site*.

The document, prepared by the NNSA with the Defense Threat Reduction Agency as a cooperating agency, is available for review and downloading at the NNSA/NSO website www.nv.doe.gov. It is also available for viewing in the NNSA Public Reading Room, located in the Frank Rogers Building at 755 East Flamingo Road, Las Vegas, Nevada.

NNSA/NSO will accept comments on the document until January, 24, 2007. All comments received after January 24, 2007, will be considered to the extent possible. Comments can be submitted to the agencies in a number of ways.
