**Nevada Test Site Radioactive Waste Disposal Timeline Display
At the Yucca Mountain Information Center in
Goldfield, Nevada, Esmeralda County**

The U.S. Department of Energy, National Nuclear Security Administration Nevada Site Office, Environmental Management Program *Radioactive Waste Disposal at the Nevada Test Site* low-level waste timeline display is currently on exhibit at the Yucca Mountain Information Center in Goldfield, Nevada, through February 3, 2006.

The timeline display is a historical perspective of activities that took place at the Nevada Test Site from the 1950's to present day, including number of waste shipments. A photograph of the display can be found on our website at <http://www.nv.doe.gov/library/photos/displaydetails.aspx?ID=1489> . The public and media are invited to visit the display at 225 Fifth Avenue (corner of Fifth and Meyer) in Goldfield. The office is open from 9:00 am to 6:00 p.m. Tuesday through Thursday and by appointment Monday and Friday. The phone number is 775-485-3419. For more information on transportation and other Nevada Test Site programs, visit <http://www.nv.doe.gov> .
