

# **Video Links for DOE Radiation Protection Workshop - 2007**

The Workshop's format will include in-person and televideo attendance, allowing for the greatest participation from across the complex, with two-way remote interaction. If your site is planning on establishing televideo networking for this conference please provide [Judy.Foulke@hq.doe.gov](mailto:Judy.Foulke@hq.doe.gov) (301) 903-5865 with the: site name, radiological control and televideo points of contact (name, e-mail, phone, fax). Please provide this information by November 2, 2007.
