

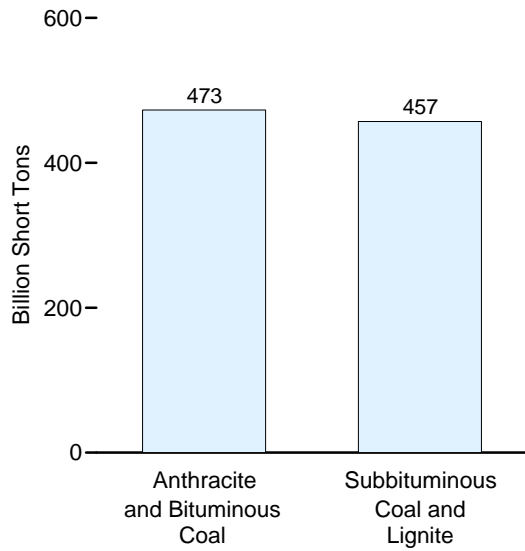

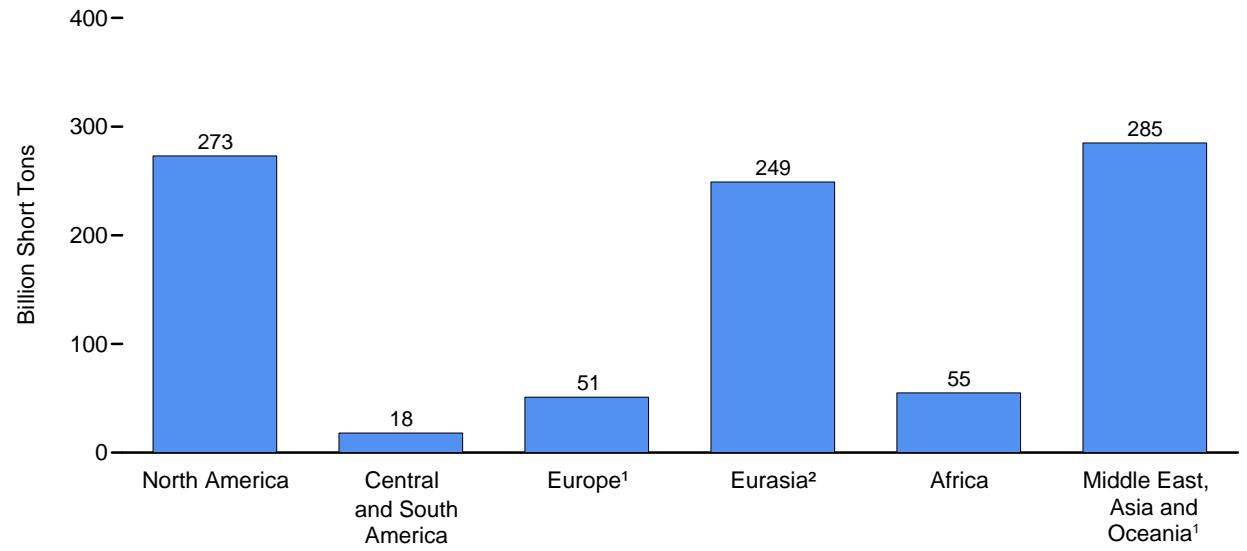

Figure 11.13 World Recoverable Reserves of Coal, 2005

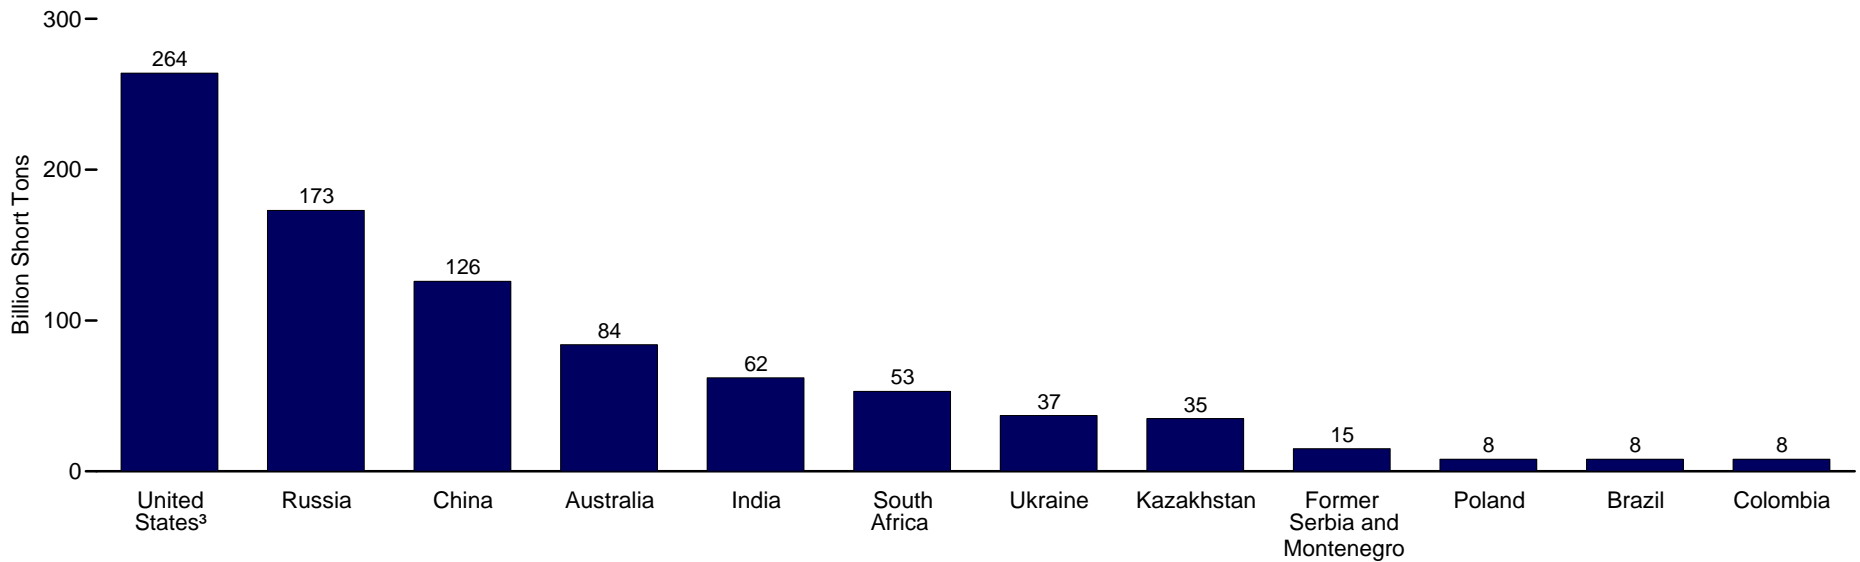

By Type

By Region

Top Reserves Countries

¹ Excludes countries that were part of the former U.S.S.R. See "U.S.S.R." in Glossary.

² Includes only countries that were part of the former U.S.S.R. See "U.S.S.R." in Glossary.

³ U.S. reserves are at end of 2006, 1 year later than other data in this figure.

Notes: • Data are at end of year. • Because vertical scales differ, graphs should not be compared.
