HEARING COMMENT SHEET

RRR000244

Name: Gayle Hill

COMMENTS:

[I feel I am more comfortable with a Nuclear waste site that has billions of dollars spent on it to assure safety - than I am with our surroundings in Las Vegas as a city. The smog, the traffic, the loss of water, the dirty air & smoke in casinos is more of a concern. Cigarettes have more radiation than this waste site in the middle of the desert & underground. I am FOR Yucca Mountain. Nuclear Power is more cleaner than Coal & safer.]
