COMMENTS:

I [I would like to voice my opinion on the Rail Line from CHAUNITE to YUCCA MT. I AM concerned that ACCESS to vital wildlife & domestic animals would be impacted negatively. I have been going to that area since I was a young boy to hunt deer, birds, christmas trees and to just go out and be in nature. I feel that there has to be a better alternative route than this. I think that the impact on wildlife will be detrimental. I strongly oppose this Rail Line. Please do not destroy our mountain]
