

U.S. Department of Energy Draft Repository SEIS,
Draft Nevada Rail Corridor SEIS and Draft Rail
Alignment EIS

HEARING COMMENT SHEET

Name: THOMAS D. DICKISON

RRR000348

COMMENTS:

I am Not Opposed to the Yucca Mt Nuclear Waste Repository
or the transport by Rail of the nuclear waste through our
county as long as its handled properly & PROFESSIONALY there should
be no hazard exposed to the public or the environment.
I have lived in Hawthorne for over 50 years. I worked at the
ammo Depot over 20 years, 10 years as Truck & Railroad Inspector
shipping HAZARDOUS Mtl's, AMMUNITION & Explosives. I am familiar
with the shipping of HAZARDOUS MATERIALS and believe if handled
professionally thier should be no exposed hazard!

Please feel free to attach additional pages (if mailing, more postage may be needed.)

Please note: Your comment(s) must be received by the Department of Energy by January 10,
2008 to be considered. Comments received after the close of the comment period will be
considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid,
self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice
are visible; then secure with tape.
