Subject: I Oppose Nuke Waste at Yucca Mtn

LSN: Relevant - Not Privileged
User Filed as: Excl/AdminMgmt-14-4/QA:N/A

I [I oppose storing nuclear waste at Yucca Mtn. Nuclear waste will contaminate drinking water that comes from under the mountain. Our country needs to stop producing nuclear waste. Nuclear energy is NOT a solution to energy needs, because the waste is unsafe for humans and the planet. The use of nuclear energy is NOT the way to deal with global warming. Our country needs to reduce it's current energy consumption, and also promote wind and solar power.]
