Subject: Yucca Mountain: Not in my name

LSN: Relevant - Not Privileged
User Filed as: Excl/AdminMgmt-14-4/QA/N/A

Dear Ones,

[As a white taxpaying citizen, I must respectfully offer my opinion that Yucca Mountain must NOT be approved as a nuclear waste repository because this sacred land belongs to the Western Shoshone People. Not in my name!

Please have the integrity and courage to take a stand against this.]

Respectfully yours,

Dana Illo
