I [ I am a US citizen and a regular voter in Oregon or have lived for 35 years. I am aware of the many hazards of transporting nuclear waste to Yucca Mountain and depositing it in a very hazardous location. I want the DOE and responsible parties to seek a different method and place of disposal for this highly toxic and dangerous material, because of the high risk to US citizens in the transportation and storage of nuclear substance. ] George K. Kausch, 235 W. Center St., Roseburg OR 97470
