Subject: Stop nuclear dumping.

LSN: Relevant - Not Privileged  
User Filed as: Excl/AdminMgmt-14-4/QA:N/A

1 [ As a citizen of the world and for the world stop the irresponsible use of nuclear energy and dangerous waste sites such as Yucca Mtn. now. Use renewable energy invest in good people who are socially responsible and not the greedy who only care about personal profit and have no regard for life. ]
