TO WHOM IT MAY CONCERN:

I [ I STRONGLY URGE YOU TO STOP THE ACTION TO MAKE YUCCA MOUNTAIN A SITE FOR NUCLEAR WASTE. WITH MANY FAULTS RUNNING UNDER THE MOUNTAIN AREA, THIS IS SIMPLY NOT, REPEAT NOT, A SAFE SITE. GIVEN THE LONG LIFE OF NUCLEAR MATERIALS, THE PROBABILITY IS GREAT THAT IN THE FUTURE THERE WILL BE A DISASTER OF EPIC PROPORTIONS. THE GOVERNMENT HAS THE RESPONSIBILITY OF ENSURING THE SAFETY OF ITS CITIZENS. TO IGNORE SCIENTIFIC EVIDENCE IS IRRESPONSIBLE. AGAIN, WE ASK YOU TO RECONSIDER THIS UNWISE DECISION. ]

THANK YOU
