Subject: concerning yucca mountain nuclear waste storage permit

LSN: Relevant - Not Privileged
User Filed as: Excl/AdminMgmt-14-4/QA:N/A

Hello,

1 { as a concerned citizen of the united states of america i would like you to deny the permit for the yucca mountain nuclear waste storage facility and stop any further destruction to the mountain. This site is truly unsafe as a storage facility for nuclear waste because it sits on numerous fault lines. thanks, matt. }
