

RRR000760

Jan. 9, 2008

Dear Mrs. Zimmerman & Mr. Bischoff,

1 [Do not send nuclear waste to the Yucca Mountains. That land is sacred to the Shoshone people. The Yucca Mountains are on a major fault line which could become unstable at any moment. Listen to your heart and your head.]

Sincerely,

Sister Mary Hamilton, SHCS
401 W Walnut Lane, Apt. 124
Philadelphia, PA 19144
