To Whom It May Concern:

[Please stop Yucca Mountain from being turned into a nuclear waste dump site.

Yucca Mountain is sacred to the Shoshone as an herb gathering site. Yucca Mountain is known in Shoshone language as Snake Mountain. It is said that the snake was headed north when it froze where it is. Further more it is said that it will move again and "flip around". **Geologists say that there are thirteen different fault lines running through it.**

Please stop Yucca Mountain from being turned into a nuclear waste dump site.]
