1 [---> I am 100% in favor of the Yucca Mountain facility being used for Nuclear Waste disposal. My background includes 15 years USN involvement with Nuclear Weapons and I know that Government handling procedures are more than adequate. Also, with time, better handling procedures for waste are sure to present themselves. We may even discover better means to recycle the radioactive waste. Use of Yucca Mountain as a storage facility will give us time to explore and develop all the possibilities.]
