NN/LM MAR Online Training Award Review Sheet

- Applicant Institution:_____

- Project Manager: _____

- Amount Requested: _____

- Reviewer: _____ Date: _____

Please refer to the Online Training Award announcement:
    http://nnlm.gov/mar/funding/onlinetraining.html

Read the proposal carefully and assign scores based on the following criteria:

_____ Application describes why the instructional activity is needed and documents how the need was identified. (30 points)

_____ Planning and arrangements for the instructional activity are described in sufficient detail to predict the likelihood of success for the event. Learning objectives and evaluation strategies for measuring the learning objectives are included. (35 points)

_____ Documentation is provided about previous experience of the sponsoring organization to conduct instructional activities. Qualifications of the instructors and/or presenters are described sufficiently in the proposal. (35 points)

_____ **Total Score** (maximum 100 points)

If funds are available NN/LM MAR may fund all applicants. If the reviewer recommends NOT funding at all, please check here: _____

Comments for MAR Staff:
Please comment on the strengths and weaknesses of this application.

Questions for Applicant (will be collated and sent to applicant):
Please provide draft questions for applicants regarding the application. Are there areas that need to be clarified, questions that need to be answered, sections that need to be rewritten or other concerns?
