Dear Mr. President:

On behalf of myself and the entire Millennium Challenge Corporation (MCC), I wish to extend my sincere condolences to the people of Armenia for the untimely loss of Prime Minister Andranik Margarian.

I had the occasion to meet the Prime Minister in his role as the Chairman of the Governing Council of the Millennium Challenge Account - Armenia, and was deeply impressed by his commitment to improve the lives of all Armenians, especially rural farmers, with the help of the MCC. Indeed, the Prime Minister successfully guided the development of the MCC-Armenia Compact while instilling a spirit of cooperation between his ministries and civil society.

His energy, compassion and commitment to Armenia and its people will certainly be missed.

Sincerely,
