

**U.S. Department of Energy Supplemental
Yucca Mountain Rail Corridor and Rail
Alignment Environmental Impact Statement**

SCOPING COMMENT SHEET

Name: Jonathan Brown

060048

COMMENTS:

Please try to make any of the rail corridors eventually selected be "shared use" and available for the commercial transport of freight.

Please feel free to attach additional pages (if mailing, more postage may be needed).

If you want to receive information about the Supplemental Yucca Mountain Rail Corridor and Rail Alignment Environmental Impact Statement by mail, please check here and provide the following information.

Organization: Nevada Mining Association

Please note: Your comment(s) must be received by the Department of Energy by November 27, 2006 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.
