Comment Text :

-->As the representative for Matthews Homes I have serious concerns about the proposed alignment utilizing the Mina Branch of the UP line. We recently received approval for a 2,200 acre mixed use development that straddles the Mina Branch at Hazen. This proposed development includes 2,200 homes, 1,600 acres of commercial\industrial land and ancillary uses. The subject property is located at Hazen, Nevada in Sections 1, 3 and 11, in T.19 N, R.26E., and Section 35 in T. 20 N., R. 26 E. Highway 50A divides the property, but the primary areas for development are located on the south side of Highway 50A.
