To foster research on women and sex/gender differences in all areas of drug abuse research, both human and animal, the National Institute on Drug Abuse (NIDA) encourages the submission of abstracts on this topic for the annual 2008 meeting of the College on Problems of Drug Dependence (CPDD). Special NIDA travel awards of up to \$750 will be available to 27 junior investigators whose CPDD abstract on women or sex/gender differences is accepted for either a poster or oral session.

Eligibility:

- Graduate and medical students, post-doctoral students, medical residents, and investigators who are no more than five years past the doctoral degree or residency are eligible
- Applicant MUST be first author on the CPDD abstract.
- Minority investigators and male investigators are especially encouraged to apply.
- Federal employees are ineligible.
- Preference may be given to those who have not previously received this award or held an R01.

To Apply:

Follow the CPDD instructions for abstract submission. Then send an e-mail to Dr. Samia Noursi at snoursi@nida.nih.gov in the following format and with the required attachments:

- E-mail Subject Line: CPDD Women & Gender Jr. Travel Awards Application
- A copy of the abstract that you submitted to CPDD.
- Your curriculum vitae (list all NIH grant support if applicable). Please ensure that your institution/work address, telephone number and e-mail address are included.
- A cover letter indicating (1) your eligibility, (2) your career goals, and (3) your interest in continuing to pursue research on women and/or sex/gender differences.
