

The State requested an effective date of July 1, 1994. Federal regulations at 42 CFR 447.256(c) and 430.20(b), however, preclude the Centers for Medicare & Medicaid Services (CMS) (formerly the Health Care Financing Administration) from approving a SPA that changes the method of payment prior to the first day of the calendar quarter in which the SPA was submitted. In addition, Federal regulations at 42 CFR 447.205(a) require a State to provide public notice of any significant proposed change in its methods and standards for setting payment rates for services. Federal regulations at 42 CFR 447.205(d) require that the notice be published before the proposed effective date of the change. Therefore, the earliest permissible effective date for this amendment based on the date of public notice (i.e., September 25, 1996) and on the calendar quarter in which the SPA was submitted (i.e., September 30, 1996), was September 26, 1996. After consulting with the Secretary as required by 42 CFR 430.15(c), CMS informed New York of its decision to disapprove this amendment.

The SPA 96-40a was originally submitted as SPA 96-40, which affected DSH payments from July 1, 1994, forward. CMS suggested the State split the original amendment into two separate amendments to allow payments beginning on September 26, 1996, to be approved. The State agreed to this suggestion.

The first amendment, 96-40a, affects Medicaid payments from July 1, 1994, through September 25, 1996, and based on the above, was disapproved on May 14, 2001. The second amendment, 96-40b, affecting Medicaid payments from September 26, 1996, forward, was approved.

I am scheduling a hearing on your request for reconsideration to be held on October 3, 2001, at 10:00 a.m. in Room 38-110a; Thirty-Eighth Floor; Jacob Javits Building; 26 Federal Plaza; New York, New York 10278. If this date is not acceptable, we will be glad to set another date that is mutually agreeable to the parties. The hearing will be governed by the procedures prescribed at 42 CFR, Part 430.

I am designating Ms. Kathleen Scully-Hayes as the presiding officer. If these arrangements present any problems, please contact the presiding officer. In order to facilitate any communication which may be necessary between the parties to the hearing, please notify the presiding officer to indicate acceptability of the hearing date that has been scheduled and provide names of the individuals who will represent the State at the hearing. The presiding officer may be reached at (410) 786-2055.

Sincerely,

Ruben J. King-Shaw, Jr.,
Deputy Administrator and Chief Operating
Officer, Centers for Medicare & Medicaid
Services.

Elsewhere in this issue of the **Federal Register**, FDA is publishing an advance notice of proposed rulemaking (ANPRM) that details the consideration of proposing a regulation for establishing import tolerances. advisory committee meeting and the written comments received in response to the ANPRM in drafting the proposed regulation. The comments should be sent to Docket No. 01N-0284. Background information including the legislative history for import tolerances, the domestic regulation of drug residues, and enforcement issues will be made available to the Veterinary Medicine Advisory Committee members and the public in advance of the meeting and posted on the Center for Veterinary Medicine home page (<http://www.fda.gov/cvm>). A limited number of paper copies of the background information will be available at the registration table on September 13, 2001.

You will be notified of your allotted time prior to the meeting. Your entire statement should be submitted for the record.
