To the FTC

I wish to comment on the proposed change to the <Made in USA Label.>

This is very important to me and I wish not to see any cheapening of this Label.

Either it is or it isn't.

Anything else is dishonest.

In looking for a product, I find that unless I can find American made I can usually get by just fine without it.

Therefore I need to know that the Label is accurate.

Anything else is a fraud on me.

Sincerely
