Dear Sirs,

I am writing to your office to express my opinion concerning the F.T.C.'s considering the lowering of made in U.S.A. standards. I agree with Representative Sherrod Brown of Ohio, that the current Made in U.S.A. standard should be left alone. This is just another example of Big Business wanting it's cake and eating it too. NAFTA was a slap in the face to America's working citizens, and this would add insult to injury.

Thank You!

Sincerely,

Joseph D. Henico
